

The future of Streatham Common depends on us all. Severe cuts in Lambeth's budget mean we have to find inventive ways of preserving and maintaining our common, which includes a Local Nature Reserve in recognition of the abundance of wildlife habitats, and the diversity of trees, plants and animals found there.

The FoSC constantly requires new members to support its ambitions but would also like especially to invite assistance from those with skills to ensure the sustainability of not only the common but FoSC's fundraising efforts.

A little from you will mean a lot to Streatham, now and in the future.

Please tick the following areas that you think would best suit your skillset.
